### **FROM THE MANSE. . . In the Present**

This picture is one of my favourite images painted by Charlie Mackesy. He also painted a prodigal Son, as well as many others. This reminds me of being held in the present. In today's world our past is very important, and rightly so as our past shapes who we are today. What we will do or be in the future is also important.

**But what about the present?** It's all too easy to rush through life without stopping to notice the world around us. When was the last time we stopped and looked at the beautiful sky, and the lovely green grass and gorgeous flowers all around us? When was the last time we stopped and sat quietly, and gave thanks to God for the wonderful world He has given us?

There are many new exercises and initiatives that help with this very thing, like the Mindfulness Course run by our own Nikki Kidd recently, focusing us to pay more attention to the present moment, to our own thoughts and feelings, and to the world around us.

Jesus himself took time out, to go up the mountain, by himself, to talk and be still in His Father's presence, making time in the busyness and pressures of everyday life, to stop, think and pray for others and himself, about the present and the future. Jesus, even in his final moments with His disciples, took time alone in the stress and pressure of the Garden of Gethsemane to make time to be in the presence of God. Even He needed this time in the presence and stillness of this world to be with God.

If Jesus needed this, then how much more do we need this! As part of Path of Renewal I have been encouraged to make time, to be still and to deepen my personal relationship with God every day. We need to get back to basics and how much more basic can we get than to develop our relationship with our Creator. We all need to grow more as Jesus' disciples and we can't do this unless we spend quality time in His presence. That means praying, reading His Living Word through our Bible and listening to His leading and guiding us.

How will we ever know what Jesus wants us to do today, never mind tomorrow if we don't stop and listen and then follow? The church of the Present and the Future relies on us all listening now.

Why not take time this summer to practice being in the presence of our Lord. God Bless, Love, *Sandra*.

### **Editor's Extras**

Another summer break - another month or two to take pride in last year's achievements. To consider improvements to our buildings; our links to community; our summer activities (such as the community festival on the 24th of July and our prayer walks and litter picks) and planning for next year. We try, albeit in similar ways each year, to help one another and to review our faith in what the Church stands for in our lives. A new series of "Places of the Bible" will hopefully highlight the importance of the towns and cities mentioned with an appropriate message. This issue is concerned with Tyre and Ninevah and their rise and fall. The message is perhaps - the more you have the less you need to believe. Let us believe that what we accomplish in Church, as a priority, is good and that our own brand of wealth will follow. God Bless.

Can I note my personal thanks to Alan Pratt for organising Christian Aid.  
WP

### **Prayer Focus**

Dear Lord, we give thanks for our Minister, for all the work she does for us and the support she gives us.. We bring you our Path of Renewal, growing disciples. Help us to spread your word and your love. We pray for good weather when we celebrate the Commonwealth Legacy Community Festival and hope all the events over the summer are well attended. We pray for life boat sea rescue services so that everyone can enjoy water sports. Forgive us when we eat food and never think about where it comes from, especially to the fishermen who go out in all weathers, risking their lives. Lord we thank you. Hear our Prayer Lord. Amen

## **Kirk Session News**

In addition to the routine business; the allocation of halls and meetings of potential interest to Elders, the following were discussed.

- Analysis of Ministry and Missions contribution showed that 84% was allocated to providing Ministries and Parish Workers and 16% to the Church's Mission. King's Park's share was £86,650.
- Jill Kyle has resigned as Convenor of Mission and Outreach. The Session thanked Jill for her care and commitment since 2004. A successor has still to be appointed.
- The Session approved the purchase of 20 NIV Bibles for use by God Tock and the Congregation.
- The Youth Co-ordinator gave a very satisfactory report on the work of the organisations over the year, thanked the leaders for all their organisation and preparation and looked forward to next year's activities.
- Data Protection - two issues arose out of this deliberation, seeking consent of members to Church holding personal information and asking each member whether they wish to remain on the Church Roll. A small group will prioritise action in short to medium term to be implemented as and when. The principle of these was approved.
- Presbytery agreed a Covenant of Partnership with the Diocese of Hyderabad in Pakistan. A report was received from the Glasgow Care Foundation, a long time charity for those in need in the city, including 34% of the children who still live in poverty. As 2018 is the year of the young person a toolkit with sample services, ideas and resources will be filtered to the congregation this year. A report was received from business and youth representatives who attended the General Assembly.
- It was noted that Reverend Malcolm Cuthbertson was inducted to Rutherglen West and Wardlawhill and Reverend Calum McLeod was inducted to Rutherglen Old Parish Church.

## **Congregational Board**

The Finance Report can be found elsewhere in this issue. On the property front the work on the roof of the transept is complete and satisfactory. Some work on the flat roof has still to be carried out. Summer maintenance is ongoing. Preliminary work on the Bell Tower and sound recording system is to be undertaken. Legacy funding is available for this work. New radio microphones are to be purchased to replace the current unreliable ones.

The benches had arrived for the newly renovated Church Garden - thanks were given to Nikki Kidd for her landscaping work and to the Gardening Team for all their efforts. There is a picture of all of Nikki's hard work on the front cover of this magazine.

## **THE LUNCH CLUB**

The Lunch Club will return on the last Thursday of the month from September. It will run September, October, November and December, then again February, March, April and May. Looking forward to seeing you there. With God's Blessings.

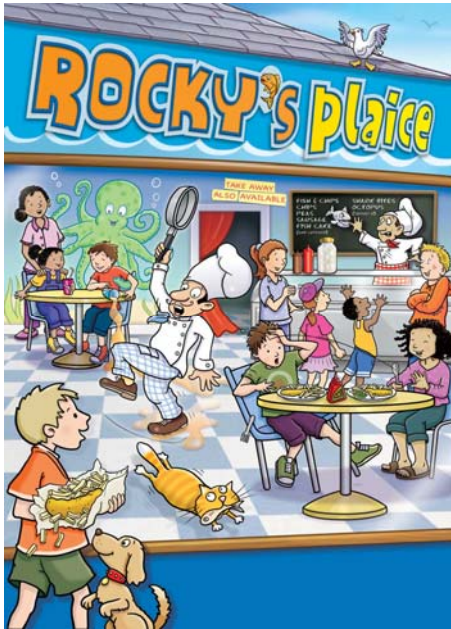

*Arlene and the Team*

***A Prayer of Lament for Refugees...***

God, our refuge and strength, an ever-present help in trouble, how long must those suffering in conflict wait for rescue?

How long must children separated from their families yearn for comfort?

How long must young people be denied a better future?

How long must those with psychological scars suffer with their trauma?

How long must families risk perilous journeys at the mercy of heartless traffickers?

How long must the internally displaced people of the world be forgotten?

How long will countries with plenty refuse sanctuary to those in need?

How long, O God, must you wait for your children to be welcomed, shown kindness and care?

O Lord of hosts protect them. God of love, be their refuge.

*Amen.*

## Places of the Bible

This series, hopefully, will indicate what happened and where, with maybe a slice of why. Those of a musical persuasion, with particular reference to “Kismet”, will remember a song “Not Since Ninevah, not since Tyre”. But why were those cities mentioned in the Bible?

Tyre (a rock) - for those who have a map at the back of their Bible, this ancient Phoenician City can be found in the Palestine and Syria in Acts section. It was a great city of commerce. The merchants there were considered honourable and products of the world were gathered in the warehouses of Tyre. The Merchants were the first to navigate the Mediterranean waters. The industries in Tyre included special dyes, weaving, glass shops and the engraving of precious stones. It has also achieved recognition for the invention of the alphabet. A wealthy city, which was denounced by prophets including Isaiah, Jeremiah, Amos and Ezekiel, who foretold its final destruction, because of its wickedness and idolatry. In AD1291 it was taken by the Saracens and has remained a desolate place ever since. A Church was founded soon after the death of Stephen and Paul spent a week there in discussion with disciples (Acts 21:4).

Ninevah - First mentioned in Genesis 10:11 - built by Nimrod in Assyria of which it was the capital - a great and populous city (Jonah 3:3, 4:11). It lay on the bank of the Tigris and stretched for 30 miles, the Book of the Prophet Nahum is almost exclusively taken up with denunciations against the city and predicts its destruction. It is now in ruins. In 633 BC the Assyrian Empire showed signs of weakness and Ninevah was attacked by the Medes and Babylonians who divided the property. Its end was sudden, strange and tragic - it was considered as God's doing as a judgement on Assyrian pride (Isaiah 10:19). Another wealthy city proven by subsequent excavations and among the treasures was confirmation of the Old Testament history of the Kings of Israel. In addition, that the prophecy of destruction by fire was true. When you seem to have all you want or need, then faith takes a back seat. Does that apply today?

### ***THE GREAT GET TOGETHER***

The Great Get Together, jointly organised by King's Park Community Council and King's Park Church of Scotland and held on Sunday 18<sup>th</sup> June at King's Park Church, was a great success. The weather was perfect which allowed us to have our picnic out of doors in the grounds of the Church. We had lots of fun together with some Community Singing, a Quiz on Glasgow and the local area, and the special attraction of a real Fire Engine. The children had lots of fun finding out some answers to the quiz, sitting in the Fire Engine and operating the hoses (with the help of the Firemen of course) – the Church gardens were well watered! Lots of fun was had by all on this very special tribute to Jo Cox. Thanks to everyone who came along to make it such a joyous time together.
