Prayer Focus

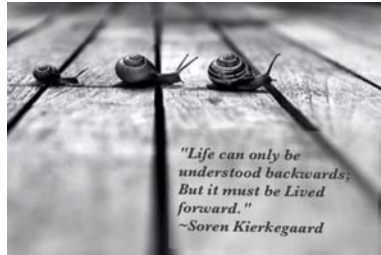

Dear Lord, summer is here at last and hope for sunny weather. We give thanks for time to sit in our gardens and chat to our neighbours. There is a lot going on over this period, Summer Sunday School, our Community Festival and the week long evening club for children to learn about Jesus and have lots of fun. Lord Bless this work and be with all the leaders. We pray for all the couples who are married in our Church, may they have a long and happy life together. Our Minister will be on holiday with her family and we hope she will have a well earned rest. Hear our Prayer Lord, *Amen*.

Please remember to inform the Church if you are changing your address. It's vital that our records are kept as up to date as possible. Thank you in advance.

FROM THE MANSE. . . Hindsight is a wonderful thing!

Looking back over the past 18 months I realise that God has been very much active in my life, especially personally in the diagnosis, treatment, care and death of my Dad in January this year. His diagnosis of oesophageal cancer was a shock to us all and accepting and dealing with this wasn't easy. Don't we all think that our parents are going to live forever? Taking time to reflect, I realise that God was with us every step of the way. Logistical arrangements were difficult, as travelling to the Western General

*"Life can only be understood backwards; But it must be Lived forward."
~Soren Kierkegaard*

Cancer Hospital in Edinburgh for Radio Therapy or stays in Edinburgh Royal Infirmary weren't exactly on our door step. But every time there was a problem with organising lifts for treatment or overnight stays, a meeting was cancelled, someone from Brucefield Church or a friend volunteered to help. Juggling full-time ministry and regular visits home to Whitburn was extremely challenging and visiting members in similar situations was difficult too but with God's Spirit encouraging and strengthening us we can face these most difficult times and come through them. One of the most difficult things I have ever done was reading my Dad's Tribute at his funeral, because he asked me to. Whilst doing that I knew I was being upheld by God because I wouldn't have been able to do this under my own somewhat limited strength. I am eternally grateful to those members of the congregation who made the time to come through to Whitburn for the funeral facing the "beast from the east".

Rebekah Nolt writes in her poem *The Will of God- The will of God will never take you, where the grace of God cannot keep you...* This is God's way of making TIME for the things that are important in life, and often we only realise these in hindsight. So I encourage you to reflect on your life but also to grasp the opportunities that God provides for us in our lives every day through using our TIME to serve him in many ways both in our family and in God's family too. Time is precious but time used to further God's kingdom is never a waste of our time.

Wishing you all God Blessings, Love, *Sandra*.

Editor's Extras

Optimism! An optimist is someone who, when their shoes wear out believes they will land on their feet! It is human nature to be optimistic about our lives and loves and that everything will turn out for the best. We hope the sun will shine on our holidays and we will enjoy wherever we go and whatever we do; and I wish this for you all this year. Optimism is about people. In the last of our series "Places of the Bible" Paul and his friends, despite their hardships, were optimistic about their faith, as were the men who became saints and preached the Word. It is the people in our Church, optimistic people, who, by example, do what they can to keep our faith thriving, despite the challenges of today.

Our thanks must go to our Ministry Team, Sandra and Raymond, and leaders of all organisations, our fundraising team (especially for their amount of work recently for Christian Aid) and the Kirk Session and Board for all their work in the past year and optimistically, next year. So, let's be optimistic about our Church and its future and try to maintain the good that it does through faith in our Lord. See you in Church.

King's Park Brass - Update

The band's annual concert in King's Park Church will take place on Tuesday 19th June at 7:30pm. The Senior Band's programme will include something old and something new! Hamish McCunn's "Land of the Mountain and the Flood" is the old piece, composed in 1887, and used slightly more recently as the theme tune for the 1970s TV series "Sutherland's Law". The new piece is entitled "A New World Overture" and has been written recently by the band's conductor Andy Duncan. Although new, it contains some old favourites including Yankee Doodle, Battle Hymn of the Republic, and When the Saints go Marching In.

There will also be two solos from the big screen! Soprano cornet player Lynn Cochrane will play Ennio Morricone's theme to the French-Italian drama "La Califfa", while closer to home, Rosie Sillitoe, on tenor horn, will delight us with the theme from "Local Hero", written by Mark Knopfler.

We can look forward to much more, including a set by the Youth Band. Entry will be £5 (children £1) and all are welcome!

THE GUILD

Our AGM took place on Wednesday March 14 at 2pm .Our President, Margaret opened the meeting, and after a hymn, prayer and some intimations, invited Sandra, our minister, to conduct the business part.

Our Leprosy Mission Representative, Margaret Atkins then gave an up-to-date report on the amount of money raised by the Guild and friends of the Guild. This year's total amounted to £765, which was slightly smaller than that of the previous year. This was due to a reduction of members attending due to illness, infirmity and very adverse weather conditions. A special Tuesday Coffee Morning, held in April for TLMS, raised the sum of £125, which will get things off to a good start for the new session. Margaret thanked all those who donated to TLMS, and urged everyone to keep up the good work.

Our current session came to an end on Wednesday 21st March, with our Daffodil Tea, when we were entertained by the Eros Concert Party. Margaret, our President, would like to thank the Guild Committee, our Tea Committee, those who donate tea, sugar and biscuits throughout the session, Helen, our pianist and all the willing helpers who always help us clear up after our special evenings. She also thanked all the Guild members for their continuing support.

Our new session will begin on Wednesday 3rd October at 2pm. As always, any visitors who would like to come along to any of our meetings, will be made most welcome. See you all again on 3rd October.

FROM THE PRAYER GROUP

There will be a copy of The Presbytery Prayer list in the office. Please remember the Churches and support them in Prayer. We are extending the giving of prayer cards to the people on the prayer list at the front door. When you add a new name to the list please take a card to give to them as a reminder of your care and God's love. We remind you that there is a prayer group on Sunday mornings at 10.30am to 10.40am. You will be warmly welcomed at this time and also on Tuesday 11.15am to 11.45am. We meet in the lounge.

A WAY TO REMEMBER

To commemorate the 100 year anniversary of World War One, poppies can be knitted or crocheted in red or orange, by members of the congregation and the wider community to be displayed alongside the Garden of Remembrance, and perhaps in the Church gardens, depending on the response. So, have a go—you've got till November and wouldn't it be lovely to look at the display and know you were part of it? A simple pattern is available from the Craft Club (1.30-3.30pm Mondays).

271ST GUIDE COMPANY

Congratulations to the following girls on gaining their Baden Powell Challenge Award: Hollie Barnes, Aileen Cowan, Chariss Docherty, Katie Flavin, Jennifer Graham, Sarah Greig, Rebecca Hodge, Zoe McCallum, Sophie McGuinness and Olivia Robertson. This is the highest award in the Guides Section. Well done to them all.

KIRK SESSION AND CONGREGATIONAL BOARD NEWS

This report includes information from the last three meetings.

KIRK SESSION

The meeting in April was charged to consider the Elders' Role in seeking to serve Jesus Christ in the 21st Century, as a Kirk Session and as individual Elders in King's Park. Three important principles for today were discussed in workshops—Working as a team, A people called and chosen, Spiritual Role.

For data protection purposes, scrutiny of the Roll will take place to review records kept by the Church. This is a legal requirement. Presbytery is to arrange training events and urges Kirk Session and Financial Boards to send representatives. Ideas as to the content of a History of our Church to be displayed in the South Transept are requested. Please speak to your elder if the muse hits you.

As in previous years, there will only be one service during July and August. Presbytery's Inspection of records for King's Park took place in April. Our next Burns' Supper will take place on 26th January 2019. A donation to support Pastoral Care and to fund new youth support group was received. Thanks were received for donations to the Guides and Boys' Brigade.

PRESBYTERY

The Reverend Ada McLeod's Ordination to Hurlford on 7th June will be attended by Wilson Paterson and Raymond Jenkins, whose short reign as Interim Moderator of Toryglen comes to a close with the appointment of Reverend Sarah Brown of Castlemilk. This will be a reminiscing visit for Wilson, as it was his Father's first charge.

There is a pressing need for members of Presbytery in conjunction with Congregations to face seriously the challenges concerning the structure of the Church in ten years. The Church should be imaginative and creative and to this end a conference to address these issues is anticipated in the Autumn. The Presbytery met in five different venues across the City in April to discuss "Wellbeing" in the Church in its various forms, so there was no formal meeting. Congregations should consider more flexible use of all their premises including the sanctuary. Consideration should be given to allow approved elders and others to lead worship. Presbytery commended the work of Schools' Chaplaincy.

BOARD

FINANCE: The latest report can be found elsewhere in this issue. The review of salaries has been agreed. The report from Gift Aid indicated an increase in the third quarter due to a generous donation.

PROPERTY: The routine maintenance of our property continues under the auspices of our Convenor. The basement has been cleared to a skip and thanks go to Bill and Janet Troop for their assistance. Ninety Nine chairs have been sold. A property manual containing relevant contact numbers and instructions for heating (to optimise utilisation), the alarm system and time switches is to be held in the office for reference. As no Council Grant was available the purchase of a defibrillator would be delayed until August. Work has been carried out on the audio system and purchase of new microphones considered. Usage of halls by organisations to be reviewed to optimise income.

Lawson Boyd has resigned as Property Convenor, although prepared to remain on the property team. If there is interest in this position please talk to Sandra or Carol Moore.

FIRE ALARM!

It was agreed at the Congregational Board that instructions should be available to those using Church premises, including private lets, regarding the action in event of fire including the Assembly Points. These are currently available on the wall of the halls. But it was felt further emphasis was required. The fire regulations also state that regular fire drills should be carried out by the congregation and organisations. This is a legal requirement.

PLACES OF THE BIBLE - The Spread of Faith
Caesarea (of Palestine)

This is a city on the shore of the Mediterranean on the great road from Tyre to Egypt, 70 miles north west of Jerusalem at the Northern extremity of the Plain of Sharon. It is not to be confused with Caesarea Philippi, 120 miles north of Jerusalem; the northern limit of our Lord's Ministry and where He asked the question of his disciples "Who do People say that I am?" (Matt 16:13 and Mark 8:27). Caesarea was built by Herod the Great (10BC) and was the capital of the Province of Judaea, headquarters of the Roman Troops and seat of Governors. It was the great Gentile City of Palestine with a spacious artificial harbour and many splendid marble buildings. It was here that Cornelius, the Centurion, was converted through Peter (Acts 10:1-24) and thus, for the first time the door of faith was opened to the Gentiles. Philip, the Evangelist, resided here with his four daughters (Acts 21:8). From Caesarea Saul (Paul) sailed for his native Tarsus when forced to flee from Jerusalem (Acts 9:30) and where he landed when returning from his second missionary journey (Acts 18:22). It was here he remained a prisoner for 2 years before his voyage to Rome. It is now in ruins and inhabited by wild animals and described as the most desolate city in all Palestine.

The Word and therefore, the Faith, was thus spread through Paul's introductory letter to the Romans, focussing on the need for salvation; a new Life in Christ and Christian conduct. This letter was probably written in Corinth. When Paul stayed in Ephesus, the Church in Corinth was doing badly, returning to idols and condoning immorality. He reiterated the Church Life and Worship. Faith was confirmed through all his epistles and his friends and fellow believers such as Timothy, Titus, Barnaby and Apollus.

This series, has hopefully identified some of the major places where the conception and change in conception of faith took place, through the Old Testament to the birth, teaching and death and resurrection of Jesus. Faith has spread in its various forms, till today we, as Christians determine our meaning of faith and our individual recognition of its place in our lives.

Thanks . . .

Many thanks to Sandra and Raymond for their support and visits during Iain's recent spell in hospital. Thanks also to members of the Prayer Group and our many friends in the Church family for your prayers, cards, calls, texts and flowers during this difficult time. Your care, concern and good wishes have been much appreciated. Iain is recovering well from his surgery and making remarkable progress.

Jill & Iain Kyle

A big thank you to all my friends for their best wishes on my 80th birthday. Thanks too, to the Church and Raymond for delivering the lovely flowers.

Sandra Buchanan

At the Tuesday Coffee Morning held at the end of April for the Leprosy Mission Scotland, the amount raised was £125.00, Millie and Margaret would like to thank everyone enabled us to reach this sum.

I would like to say a huge thank you to all the helpers who were involved in this session's lunch clubs. To everyone who set tables, prepared and served lunches, the Club could not function without you. Thank you to one and all.

Arlene Bryson

As Andrew will be in the chorus again, we will be running a bus to Glasgow Light Opera's performance of Oklahoma at the King's Theatre on Thursday 15th November. Price will be £20. To book a ticket, give your name to Andrew or Mairi Aitken.

FLOWER FUND

Thanks are due to all who contribute to the flower fund, beautifying our worship week by week.

Time for the Future

Our Stewardship season this year is *time* and we would like to think about the past and remember it. If you have some time or could make some time to help make our South Transept into a history of Kings Park Church we would love to hear from you. This we hope will be a short one off assignment finished at the latest by Christmas.

Alternatively if you have anything in your house that you think the church should be remembering or celebrating, for example a long service certificate, a Sunday School Photograph or any photograph, a newspaper clipping, anything really to do with Kings Park Church we would love to borrow it and have it on display for others to enjoy. If you can help even for a short time or have anything to hand in to the church office, please mark it clearly with your name and address so that it can be returned, if you wish, or can be donated to the church.

This exciting project will benefit everyone, *past, present and future*.
Happy helping and hunting!

NEWS FROM THE SOCIAL & FUNDRAISING COMMITTEE

A huge thank you to everyone who donated textiles in our recent collection and a special thank you to everyone who delivered them. We raised over £350 for church funds. Thank you too to everyone who came along to Souper Sunday at the start of Christian Aid week and to everyone who marked the end of the week by attending the Christian Aid Quiz. We are looking forward to the Strawberry Fayre on Saturday 2nd June from 10-12noon. After that we will have a short break and regroup in September. Thanks again for your continued support.
Lynda Young on behalf of the committee.

SAINT'S ALIVE!

In church recently I noticed the window dedicated to St Oswald. Both the window and our neighbouring church made me realize I did not know much about him so I researched his history, and while I was doing that I also researched St Giles, St Vincent and St Michael. The following is a thumbnail description of each.

St Oswald was a King in Northumbria who, while in exile, travelled to Iona. When he regained his Kingdom he fought for Christianity and helped found Lindisfarne Monastery. Oswald is unusual in that he was made a Saint while still alive.

St Giles was a hermit Saint from Athens, born circa 650 ad. He is the Patron Saint of Edinburgh in addition to Patron of cripples and lepers. He was a man well thought of and popular in the middle ages.

St Vincent apart from being a street in Glasgow, which was named after Sir John Jerul's victory in 1747 off Cape St Vincent in Portugal, which in turn was named after a 4th century martyred Iberian deacon.

St Michael was an archangel protector of the Jewish people, a guardian of the Roman Catholic Church and the Vatican City. A beautiful Church in Linlithgow is named after him as is the Marks and Spencer brand.

There must be many others that are used in conversation, St Mirren for instance, so maybe later.

Gary King

PRAYER WALK AND LITTER PICK

Following the success of last year's events we will be continuing them again this year, around the streets of our Parish area. If you would like to join us we will be meeting at the Church at 7pm and will walk for about an hour stopping regularly at street corners to pray for those in these streets. This is an opportunity to get to know folks in our neighbourhood and meet some young people. Dates can be found in "dates for your diary". Everyone in the Parish is welcome to join us.

WORLD MISSION

Any monies raised from the sale of used stamps will be used by the Reformed Church (Ukraine) to provide day care centres for educational emotional and physical support for children and young people with disabilities. So pop your used stamps in our Post Box please.

The World Mission booklet concentrates on Interfaith Engagement and can be found at various doors of the Church and halls. My personal thanks must go to Alan Pratt and Lynda Young and her team for all the organisation involved in Christian Aid events - also to all who took part or contributed financially to this worthy cause.

COMPUTER CLASS

The concept is to initiate the use of iPad, tablets and smartphones including the downloading of Apps, the editing and storage of photographs and to access eBooks and music. There will be four sessions of 2-hours and notes will be provided. Tuition will be on a rota basis and equipment will be provided. The exact times and starting date of the sessions has still to be agreed with Glasgow Life and will be notified through the intimations or the next issue of this magazine. I hope that the interest shown will be confirmed and that this community facility will go ahead.

CHRISTIAN AID 2018 - UPDATE

King's Park has again been busy, raising money for Christian Aid. Over **£965** was collected this year by our Erskine Bridge walkers, the dynamic duo, Graham & Alan – well done to them, but more importantly, a big thank you to their generous sponsors! We've tackled Christian Aid Week slightly differently this year, deciding to concentrate on staying "in-house", rather than going "house-to-house"! So far we can report that Millie's Tuesday CA Coffee Morning raised over **£201** – fantastic – thanks Millie!

Our Souper Sunday event, supported admirably by the Social & Fundraising team, gathered just over **£332**, and the annual Christian Aid Quiz saw **£161** added to the coffers – thanks again to Lynda and her committee for running this. For those who are interested, this hotly contested quiz was AGAIN won by "Sandra's Sinners" Clearly, a major effort will be required next year to knock them off their pedestal!! Christian Aid envelopes were, as usual, available to all members and so far, we have gathered in just over **£1000** – the final sum will be updated/confirmed in the August/September edition of the magazine.

A Christian Aid paper quiz has also been doing the rounds – the answers will be available in the next edition of the magazine.

Finally, for now, thanks to all who have contributed in any way, large or small, in helping to continue our church family's superb tradition of support for Christian Aid.

The Will of God

The will of God will never take you,
Where the grace of God cannot keep you.
Where the arms of God cannot support you,
Where the riches of God cannot supply your needs,
Where the power of God cannot endow you.

The will of God will never take you,
Where the spirit of God cannot work through you,
Where the wisdom of God cannot teach you,
Where the army of God cannot protect you,
Where the hands of God cannot mould you.

The will of God will never take you,
Where the love of God cannot enfold you,
Where the mercies of God cannot sustain you,
Where the peace of God cannot calm your fears,
Where the authority of God cannot overrule for you.

The will of God will never take you,
Where the comfort of God cannot dry your tears,
Where the Word of God cannot feed you,
Where the miracles of God cannot be done for you,
Where the omnipresence of God cannot find you.
