Prayer Focus

Dear Lord, as we prepare for the birth of your son, Jesus Christ, let us stop our rushing around and take time to concentrate on the true meaning of Christmas. Praise the Lord for sending His son in human form to live among us experiencing all that we do. As we meet with friends and family, creating special moments and sharing happy memories, as we do that let us remember all those who are alone or lonely. Think especially of the homeless as the cold winter nights are creeping in.

We ring in the New Year with hope and expectations and we pray for new beginnings as we continue on our path to renewal. Help us to let Jesus take his rightful place in our hearts. Fire us up with a passion to spread your love throughout our community. We pray our New Year resolution will be to do something good for someone as often as we can. Hear our prayers Lord, Amen.

NOTE: CHANGE OF TELEPHONE NUMBER:

As agreed at the Congregation Board, as of the 1st of January there will no longer be a landline in the Manse. The Minister is contactable at all times on her mobile phone. Number: 07919 676242

FROM THE MANSE. . . Hopes, Dreams & Visions

As we approach Advent and start getting ready for Christmas I wonder what your *Hopes, Dreams and Visions* are? Do you hope for parties, time with family and friends, or do you hope that Christmas goes quickly? Are you dreaming of a white Christmas, a peaceful Christmas or a quiet time? Is your vision one of happiness and joy, love and grace or a new start in the New Year? Christmas is a special time, a time for miracles, a time of expectation. But it can only be these things if we see past the glitter, the pretty lights and the tinsel, to the hopes, dreams and visions of a brighter today and tomorrow because of the miracle that happened over 2,000 years ago, of God taking on flesh and coming to live here on earth amongst us.

Mary, Joseph and the Shepherds had visions of Angels, telling them *not to be afraid* but to trust in God's plan and purpose for their lives. And those angels say that to us today if we just listen. Mary and Joseph, when they got over the shock of being pregnant, would have, like many parents, been filled with hope and dreams for their child, who was to be called Jesus, meaning 'God Saves'.

That is a pretty big hope and dream to live up to! But in my limited experience of life, **they** and **we** can get through life with God's Spirit in our heart, His Word on our lips, our family around us and placing our hope and trust in God's plan and purpose for each of our lives. By following and serving Jesus, the only one who can love us unconditionally, forgive our many mistakes, willing to shower us with grace and peace beyond this world's understanding, as well as offering us eternal life through believing in Him, He will reveal to us His hopes, dreams and visions of not only our future but His purpose for our lives and the coming of the Kingdom.

This Advent and Christmas time expect miracles, expect your hopes, dreams and visions to be revealed and experienced because God, our loving Father, only wants the best for **all** His children, this Christmas and always. Wishing you all God's Blessings,

Love Sandra

Editor's Extras

Here we are, at the gate of the year, once again. As we lock the door on one year and open it on another what will we remember about the past year? Apart from our individual personal memories, perhaps our service in Church activities? During the last two months have we been involved in remembering our Nation's Forces in November; those bereaved, in a December Service; and for us, the Birth of our Lord Jesus Christ, with perhaps a re-confirmation of our faith and belief. We go into 2017, hopefully with peace and hope in our hearts, having received the joy of family connections, including our Church family, resolved to retain the "house" that provides us with comfort every other time of the year.

Happy Christmas and an active New Year.

P.S. There are no Kirk Session or Congregational Board reports as no meetings have been held since the last issue.

WORLD MISSION - STAMP APPEAL

The Church of South India recently opened the Othara Eco Spirituality Centre, where people can learn about climate change and the importance of conserving the earth God has given us. The 2016 Stamp Project supports some of their ecological innovations including harvesting and the re-use of rain water, among others. It is with gratitude that I can say the amount raised to September 2016 is £2.011. Please continue to post your used stamps in the post box in the foyer to our halls. Thanks again.

THE GUILD

Our new session is continuing to progress well. On 26th October, Mr David Atkins came along with a most interesting presentation on Parks of Glasgow. We “visited” Glasgow Green, Bellahouston Park and the Botanic Gardens to name but a few. David was accompanied by a friend, Mr Alistair Biggar, who also featured in the presentation. They hope to come back at some future date to show us more of our city’s lovely parks. This was followed on 2nd November by a visit from Mr Richard Woods from Mission International to speak about the Haiti Project, which is one of the Guild’s chosen projects for this session. They plan to build a new multi-purpose facility for the people of Ouanaminthe in Haiti. It will be used as a school, a community centre and will also serve as the Church sanctuary.

We had a lovely evening at our Charity Night, held on 9th November, when we were entertained by the Ian Walker Band, which consisted of Ian, his wife, Mo and their friend, Jimmy. They sang a variety of well-known songs, in which everyone could join in, and some Gospel songs also. Everyone enjoyed the concert, and the Guild would like to thank the people who worked so hard to make the evening such a success, including those who came along to support us, and our faithful band of “willing helpers” who always step in to clear up afterwards. The proceeds, as always will go to our 2 chosen Projects, which, this year are “The Haiti Project” and “Let’s Stick Together.” The amount raised for this event was, at the last count around £253.

On 16th November Jill Scott and Bill Hicks, who were former journalists with the Sunday Post, gave a presentation on the history of the Glasgow Central Hotel. They told us of the many famous people who had visited the hotel throughout the years, including Frank Sinatra, Laurel and Hardy & Roy Rodgers with his horse Trigger. This was most interesting and enjoyed by all who came along.

The first half of our current session will end on Wednesday 7th December and will resume again on Wednesday 11th January 2017 at 2pm.

In the meantime, here is a preview of the syllabus for both January and February:-

Glasgow's Disadvantaged Young People **Need YOUR Help Now!**

For nearly a decade, MCR Pathways has been working in secondary schools throughout Glasgow, helping 'care experienced' young people overcome the challenges thrown at them – challenges they face through no fault of their own. Our city's most disadvantaged young people are five times more likely to leave school aged 16 or earlier and more than half end up in unsustainable post-school destinations. This is no surprise as, while care experienced young people have great potential, they often struggle to thrive due to instability in their personal lives. They often don't have positive adult role-models or access to social networks that can introduce them to the workplace.

MCR Pathways has shown that having a **volunteer mentor** is key to unlocking the immense potential in these young people. I am a member of the Glasgow Presbytery Education Committee and have been a mentor with MCR for over a year. It involves a commitment of one hour a week. The only qualifications required are a listening ear and empathy with the young person. Training is given beforehand.

Can you help MCR? Can you volunteer your time to support a deserving young person just like Liam – a youngster who was in care and totally disengaged from education, and who is now a Chartered Surveyor?

Join the city of Glasgow as we lead the way in shattering the cycle of deprivation, low aspirations and lost potential that 'looked-after' young people face.

To learn more and to register to be a volunteer mentor please visit www.youngglasgowtalent.org

Sandra's Ninth...

Like Beethoven's Ninth Symphony, King's Park Church and Sandra, our Minister, have made music together for nine years. Some of this music has been light (Commonwealth Games Legacy Day and God Tock), some heavy (workload amongst others), some happy (Grayson's birth and baptism and Laura's engagement), some sad (the death of prominent members of her "orchestra" - Cathie and Douglas).

But together, the enthusiastic way she "composed" and "arranged" the various sections of her "orchestra" meant she could be asked, on an Interim basis, to lead the "orchestra" in Eastwood. There have been some "adagio" moments as well as some "crescendos" but most of the time, in tune. Any "blues" were interspersed with "easy listening". So, like Schubert's Unfinished Symphony, Sandra, we hope, will continue to lead us in our "spirituals" for many more years.

**KP CHICKS FASHION SHOW**

Great fun was had by all who attended the KP Chicks Fashion Show on Tuesday 15th November. The handsome sum of £550 was raised for Church funds. Many thanks to everyone who helped make the evening such a success. Thanks to Hamed, Behrouz and Raymond for putting up the 'Catwalk' and setting out tables and chairs and to all working behind the scenes. Many thanks also to Eyecandy Boutique for presenting the show, to everyone who so generously donated baking and prizes and especially to the models who performed so elegantly on the catwalk. Special thanks also to all who attended, without them the sum raised would not have been possible. Maybe we can have another one next year!

Both Junior and Company Sections are progressing steadily with their various badges as the Session heads towards the Christmas/New Year break. The Junior Section's participation in Cathkin District's 7-a-side football league is with the Blue Team, defending their title in 3rd place with 7 points from a possible 9 while the Black Team have still to open their account.

Meanwhile two Company Section boys, Aaron Downie and Stuart McFadden recently attended a Battalion Queen's Badge Skills course.

Behrouz's Story:

I was born in Karaj, Iran. I have six sisters and 1 brother, I have a mother and father, he has two wives, so I have a big family!

I was working in the business of selling when I was introduced to Jesus through my friend. I found my Church so spiritual and interesting. I felt calm and very relaxed when I was there. I had a good feeling when I was praying in Church because it is a safe place for people who were born within Christian families. However, it is dangerous for people who were born in Muslim families and particularly for those who intend to convert to Christianity. I had to flee my country due to my conversion from Islam to Christianity. I had no option but to leave my Iran in order to get to a safe place.

An agent made arrangements for me to leave Iran and I was totally unaware that I would end up in Britain and then Scotland. If Glasgow had nicer weather, this city would have been the heaven on earth! I have found the people in Glasgow to be so very nice, thoughtful and friendly. Their tolerance is so different from what I have experienced in the past.

King's Park Church was introduced to me via one of my friends. I was welcomed warmly to the Church from the beginning. When I attend the Church, it feels like a home to me as everyone there is so nice and friendly. Thank you for your welcome and support.

Behrouz Tavokoli (left) and Hamed Yasaman (right)

We look forward to welcoming Behrouz and Hamed into our congregation as they are baptized and profess their faith here in King's Park. May God Bless them both.
